

# Hydrant Flushing Schedule 2017

Flushing of hydrants will take place the last Wednesday & Thursday of each month. April through November, weather permitting. Hydrant flushing may result in low pressure and rusty water. You may wish to avoid doing laundry on these days.

**May 24 & 25**  
**August 30 & 31**

**June 28 & 29**  
**September 27 & 28**

**July 26 & 27**  
**October 25 & 26**
